Minimum City Requirement
FOR PROJECTS OUTSIDE CITY BOUNDARIES (IN COUNTY)

CITY OF WESTMINSTER STANDARD GENERAL NOTES

1. The Public Water and Sewer Portion of the Construction shown on these plans shall be in accordance with the current Standards and Specifications for the City of Westminster. This work is subject to inspection and acceptance by the City of Westminster.
2. The contractor shall have a current copy of the City of Westminster “Standard Specifications for Construction of Public Utility Systems, Roads and Storm Drains” available to him at all times during his operations.
3. The contractor shall notify the City of Westminster “Department of Public Works” at 410-848-2592 at least 5 days in advance of starting public water or sewer construction, and shall not interrupt existing water or sewer service without first obtaining permission from the “Department.”
4. The contractor shall notify his Engineer when proposing Field Adjustments to the Type, Size, or Location of the public water and sewer installations specifically shown on the plan. The contractor shall obtain final approval from the City Inspector prior to commencing work on all field changes involving public mains or services.
5. The contractor shall contact “Miss Utility” at 1-800-257-7777 in advance of his construction operations. It is the contractor’s responsibility to ensure that all utility owners having existing lines in the area are properly notified.
6. The locations of existing utility lines shown in these plans is approximate only, and the contractor must verify the locations to his own satisfaction. The contractor shall take the necessary precautions to protect against damage to existing lines, and shall be solely responsible for the cost of repairs incurred by his operations.
7. The Water and Sewer Construction Layout Datums used herein are:
HORIZONTAL: - Maryland State Grid System (NAD 83_)
VERTICAL: - U.S.G.S. Datum
8. For additional Construction Baseline Geometry and Stakeout Information for Public Water/Sewer Installation, refer to the plans entitled “ROAD AND STORM DRAIN PLANS FOR _____; Carroll County File # _____.
(project)
9. Failure to mention specifically any work which would naturally be required to complete the public water and sewer construction shall not relieve the contractor of his responsibility to perform such work.
